Infante Residences

Located in Lisbon's historic center, Infante Residences has 45 apartments. The refurbishment project is based on quality, comfort and distinction. An emblematic building that benefits from panoramic views and leisure spaces, in one of the city's noblest neighborhoods, Estrela.

These authentic refuges from day-to-day city life are just a few minutes' walk from the city's waterfront and various green areas, perfect for long walks or bike rides. Surrounded by several public transportation hubs, services, restaurants and shops, the Infante Residences apartments can also count on the opening of a new metro station in 2025, which will strengthen their connection to the entire city.
